Course Info:

- * Our 2 day hands-on courses are from 10am to 5pm on Day 1 and from 8:30 am until 3pm on Day 2.
- * Suggest to make hotel reservation at the Homewood Suites, 600 Chamber Dr, Milford, Oh (844-750-4028). This hotel is the closest to the Foundry Way Learning Center and within walking distance of where we have dinner the evening of Day 1. Please indicate you are with the Foundry Way Learning Center to get our block rate.
- * We have many defect examples in class, however you are welcome to bring your own examples for discussion.
- * Please feel free to let us know in advance if there is a particular casting issue you have or topic you would like covered in more detail. We will provide special attention to your casting problems either in or after class.
- * Send questions or comments to Brad Hohenstein at blh@PorositySolutions.com
